Community Service Programs

The Housing Authority of the City Jerome is presently working on its Community Service Policy to make sure that we are in compliance with all requirements. We are working with different social service agencies, local governmentagencies etc., to help identify a list of volunteer community service positions. We will be working with the resident advisory council to complete the process.

There are a few unanswered problems we have encountered such as workman's compensation liability which we are working to get solved.

We have every intention of starting the program on our fiscal year date of January 1, 2001.

Following is our proposed plan which is in the review process but has not been finalized and approved:

CONTINUED OCCUPANCY AND COMMUNITY SERVICE

GENERAL

In order to be eligible for continued occupancy, each adult member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

EXEMPTIONS

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416 (I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blindor disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-to work and who are in compliance with that program.

NOTIFICATION OF THE REQUIREMENT

The Housing Authority of the City of Jerome shall identify all adult family members who are apparently not exempt from the community service requirement.

The Housing Authority of the City of Jerome shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after January 1, 2001. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

VOLUNTEER OPPORTUNTIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Housing Authority of the City of Jerome will coordinate with social service agencies, local schools and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Housing Authority of the City of Jerome may create volunteer positions such as litter patrols, playground supervisor etc.

THE PROCESS

At the first annual reexamination on or after January 1, 2001, and each annual reexamination thereafter, the Housing Authority of the City of Jerome will do the following:

- A. Provide a list of volunteer opportunities to the family members
- B. Provide information about obtaining suitable volunteer positions.

- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority of the City of Jerome whether each applicable adult family member is in compliance with the community service requirement.

NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority of the City of Jerome will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the gievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated:

OPPORTUNITY FOR CURE

The Housing Authority of the City of Jerome will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self sufficiency program or agrees to contribute to community service for as many hours as need to comply with the requirement over the past 12 month period. The cure shall occur over the 12 month period beginning with the date of the agreement and the resident shall at the same time stay current with that years community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Housing Authority of the City of Jerome shall take action to terminate the lease.

PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Housing Authority of the City of Jerome may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any locations where residents perform activities to satisfy the service requirement.
